## LIBRARY REPORT.

---

*To the Citizens of the Town of Gilford:*

As the trustees of your public library, it becomes our duty to submit the following report, together with that of the treasurer of the library funds for the year ending February 15, 1913, for your consideration.

The library now contains 2,314 volumes; added since last report, 58 volumes. These have been purchased with the appropriation from the town.

The library has also 136 volumes donated from the library of J. B. Morrill's estate.

The records of the librarian show: Total number of books loaned the past year 2,298, classed as follows: Fiction, 1,816; History, 2; General Literature, 476; Poems, 4.

The largest number of books loaned in any one day, 61. Ten new names have been added to list of patrons during the past year.

We have considered the idea of listing the books, so that our library work might be carried on in a systematic and efficient manner; when this method is adopted much confusion will be eliminated. A careful investigation of the situation convinced us that our appropriation was insufficient to complete the work. In accordance with the wishes of the late J. B. Morrill the trustees were permitted to examine his collection of books and select what seemed desirable.

Respectfully submitted,

LIZZIE A. JAMES,  
FRED R. WEEKS,  
ORMAN M. SANBORN,

### *To the Voters of Gilford School District:*

The school board and treasurer submit their annual report. The truant officers, A. H. Bacon, enrolled 125 scholars in the September enumeration. We are able to report favorably on school affairs. The year just passed has been one of industry and general advancement. At the opening of the schools only three were new to their positions. There was not an inexperienced teacher in the teaching list. Districts Nos. 1 and 4 were united since there were only five pupils in the former; they voluntarily furnished their own transportation. To safeguard the children from contagious diseases individual drinking cups have been provided. We wish to express grateful acknowledgment for cordial support and courtesy which we have received in our school work.

As required by law, P. S., C. 2, as changed by c. 52, Laws 1909, we submit the following amounts to be assessed by the selectmen for the coming year:

For school books and supplies,	\$175.50
For flags and appurtenances,	5.00
For tuition,	200.00

These items do not require a vote at school meeting.

Following is the statistical table, roll of perfect attendance and financial report of school board and treasurer:
